NOTICE.

No. 768.—A competitive examination for entry to (1) the 'Technical Arms' wing (comprising the Indian Artillery, Indian Engineers, and Indian Corps of Signals), and (2) the 'Cavalry and Infantry' wing of the Indian Military Academy, Dehra Dun, in the term beginning on or about the 23rd January 1942; and (3) the Royal Indian Navy will be held in Delhi on Tuesday, the 21st October 1941, and subsequent days. The examination will be conducted by the Federal Public Service Commission.

2. The examination will be a combined one for the purpose of filling vacancies in (1) the 'Technical Arms' wing and (2) the 'Cavalry and Infantry' wing of the Indian Military Academy and (3) the Royal Indian Navy. A candidate may apply to be admitted to the examination for all or any of the above. If he wishes to be admitted as a candidate for more than one, he should state this on his application form. Separate applications are not required. He will be required to pay the application fee once only, and, in the case of the Royal Indian Navy, examination fee is also once only. If he proves successful as a candidate for more than one, he will ordinarily be assigned to the one for which he expressed a preference in his application; but the Government of India reserve power to assign him to any one.

3. At this examination 31 vacancies will be offered for entry to the Indian Military Academy. Of these it is anticipated that between 8 and 10 vacancies will be offered for entry into the 'Technical Arms' wing and the rest for the 'Cavalry and Infantry' wing. The Governor-General in Council, however, reserves to himself the right to fill three vacancies (to be varied between the two wings on the recommendation of the Commander-in-Chief after each examination) by nomination from among those who have qualified but failed to obtain sufficient marks to secure one of the other vacancies. One vacancy will be offered for admission to the Executive Branch and one for admission to the Engineer Branch of the Royal Indian Navy.

4. The examination for each wing of the Indian Military Academy will be separate and if an insufficient number of candidates qualify for the 'Technical Arms' wing the vacancies for the 'Cavalry and Infantry' wing will not be proportionately increased.

5. During the course at the Indian Military Academy transfers between wings will be permitted as the exigencies of the service demand. Cadets of the Technical wing will be posted to the arm of their choice according to their place on the final passing out list, but if their position on the list is not high enough to secure them a commission in the arm they prefer, they will be offered one in either of the other two technical arms.

6. As a war-time measure, it has been decided that cadets, who enter either wing of the Indian Military Academy by reason of their success at this or at subsequent examinations during the war, will, on satisfactory completion of the course, be granted emergency commissions in His Majesty's Indian Land Forces. As no definite guarantee can be given to parents or guardians that these emergency commissions will be confirmed as permanent commissions after the war, the Government of India have decided that:—

(1) no fees either for the examination or for the course at the Indian Military Academy shall be payable;

(ii) cadets will be treated in the same way as 'Army' cadets for the purposes of pay, travelling and medical arrangements, provision of free clothing, uniform, equipment, etc.

7. Candidates for admission to the Indian Military Academy must have been born not earlier than the 2nd November 1921 and not later than the 1st November 1923. Candidates for the Royal Indian Navy examination must have been born not earlier than the the 2nd May 1922 and not later than the 1st May 1924. These age limits can in no case be relaxed.

8. A candidate who desires to appear at the examination is required to submit to the Federal Public Service Commission his application in the prescribed form with the necessary documents in accordance with the instructions given in the Instructions to Candidates regarding the filling up and submission of applications. Applications must reach the Collector or Deputy Commissioner or the Political Officer or Resident or the Principal, Prince of Wales's Royal Indian Military College, Dehra Dun, on or before the 3rd July 1941. Copies of the Rules and the Application Form, etc., may be obtained from the Provincial Government, Administration or Durbar concerned. (In the case of the Punjab copies of Rules, etc., are obtainable from the Secretary, The Punjab and N.-W. F. P. Joint Public Service Commission, Lahore.)

THE FACT THAT AN APPLICATION FORM HAS BEEN SUPPLIED, ON WHATEVER DATE, WILL NOT BE ACCEPTED AS AN EXCUSE FOR THE LATE SUBMISSION OF AN APPLICATION. CANDIDATES WHO DELAY THEIR REQUESTS FOR FORMS UNTIL A LATE DATE WILL DO SO AT THEIR OWN RISK.

Note 1.—If any candidate has appeared at the examination held in March/April 1941, for entry to the Indian Military Academy, and/or the Royal Indian Navy, and not being successful thereat, wishes to appear at the examination to be held in October 1941, he must submit his application by the prescribed date without waiting for the results of the former examination. Should he have been successful, his candidature for the March/April examination will be cancelled.

Note 2.—The approximate cost of training for the Royal Indian Navy is £260.

No. 9T.L.—17th May 1941.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

A

BILL

further to amend the St. Thomas' School Act, 1923.

WHEREAS it is expedient further to amend the St. Thomas' School Act, 1923, for the purposes and in the manner hereinafter appearing ; Ben. Act XII of 1923.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the St. Thomas' School (Amendment) Act, 1941.

Amendment of section 2 of Bengal Act XII of 1923.

2. In section 2 of the St. Thomas' School Act, 1923 (hereinafter referred to as the said Act)- -

(*1*) for sub-section (*2*) the following sub-section shall be substituted, namely :—

"(*2*) The Governors shall at a meeting co-opt with themselves two teachers, of either sex, of St. Thomas' School to be elected for the purpose of such co-option by the teachers of that school in the manner prescribed by rules made under section 15, and may at a meeting co-opt such other perons, of either sex, not exceeding three in number, as they may consider necessary ; and all persons co-opted under this sub-section shall be deemed to be Governors for the purposes of this Act." ;

(*2*) after sub-section (*3*) the following sub-section shall be inserted, namely :—

"(*3a*) If the teachers of St. Thomas' School do not by such date as may be fixed by the Governors in this behalf, elect two teachers for the purpose of co-option under sub-section (*2*), the Governors shall at a meeting co-opt two persons of either sex from amongst the teachers of the said school and the persons so co-opted shall be deemed to be Governors as if they had been co-opted after having been duly elected under the said sub-section."

"(*aa*) prescribing the manner in which the election referred to in sub-section (*2*) of section 2 shall be held ;".

STATEMENT OF OBJECTS AND REASONS.

Section 2(2) of the St. Thomas' School Act, 1923 (Bengal Act XII of 1923), provides for the co-option of three members as Governors of St. Thomas' School, Calcutta. The School has, however, been granted recognition by the Calcutta University subject to the condition that there should be two representatives from the teaching staff on the Governing Body.

The three members hitherto co-opted under the above section have been experts and have rendered valuable service to the School. The Governors consider it essential to have such useful persons on the Governing Body and suggest that there should be two additional co-opted members from the teaching staff to meet the requirements of the Calcutta University. It is therefore considered expedient to amend section 2 of the Act by providing for two additional co-opted members on the Governing Body of the School.

(*f*) Appeal from the decision of the trial court shall lie to the High Court and shall be heard and decided by a Muslim Judge of that court."

STATEMENT OF OBJECTS AND REASONS.

Ever since the passing of the Dissolution of Muslim Marriages Act, 1989, my attention has been drawn to the necessity of introducing some changes in the Act to bring it in full accordance with Muslim law. Only lately the Working Committee of the All-India Jammeut-ul-Ulemah, a much respected body of the Indian Muslim divines, in their meeting held from 29th September to 2nd October, 1940, agreed to a draft of amendments with this view and resolved that steps should be taken to give effect to it. It is in accordance with that draft that this amending Bill is sought to be introduced. I need hardly say that in matters of Muslim personal law as well as in religious matters great weight has to be attached to the opinions of these Ulemahs. Even other learned divines have expressed similar views. I give below the explanation for the various amendments proposed by this Bill.

MUHAMMAD AHMAD KAZMI.

ALLAHABAD;

Dated the 27th January, 1941.

NOTES ON CLAUSES.

Clause 2(a).—According to Muslim law if a non-Muslim husband and wife become converts to Islam, they have not to be married again and their previous marriage is regarded a valid marriage. The existing words take away such cases from the purview of the Act and hence the proposed amendment.

Clause 2 (b).—The authority for the option of puberty is said to be derived from an instance of the time of the holy prophet Mohammad, when he suggested this method of the dissolution of marriage to a girl who had been given in marriage by her uncle while she was a minor. From this instance the Hanafi Jurists argue that a minor girl given in marriage by the father or grand-father would not be entitled to a dissolution of marriage on the attainment of puberty. At the time this Act was on the legislative anvil some of the Honourable Members of the House maintained that as there was no prohibition in any of the traditions regarding the option of puberty in respect of marriages performed by any particular relation we must keep it quite general and so the section was passed in its present form. The Ulemahs, however, maintain that it is not correct and that all the Muslim Jurists are against it. For this reason this amendment is being proposed.

In connection with the 'option of puberty' the other matter to be considered is: what should be the time when this right can be exercised. According to Muslim law it is the time when the first signs of puberty appear. In India, however due to the institution of very strict 'purdah' the females generally have neither such knowledge nor are so free as they are contemplated to be by the Islamic Shareeat. In rare cases this right may be exercised at the actual time and the experience shows that most of the cases that are fought on the basis of option of puberty are based on false allegations and supported by perjured evidence. So the keeping of the appearance of the signs of puberty as the criterion of the time of the exercise of the right was considered to amount to the maintaining of unnecessary amount of perjured evidence in courts and to avoid all this the standard of age was adopted. The Ulemahs, however, maintain that it is not in accordance with the injunctions of the 'Shareeat'. The way in which they interpret the provision, however, relaxes some of the rigour of the rule. The words proposed are 'she refused to recognise her marriage'. This may to a certain extent help the women in the matter of burden of proof.

Clause 2(c).—In case of impotency, a husband is entitled to get a period of one year for medical treatment according to the provisions of Muslim law without any application to that effect. Hence the words 'on the application of the husband' are proposed to be deleted.

Clause 3(a).—This change is only to clarify the principle of Muslim law that mere conversion to another religion or renunciation of Islam does neither dissolve the marriage *ipso facto* nor can it be made a ground of obtaining a decree of dissolution of marriage.

Clause 3(b).—The first proviso is superfluous and becomes all the more so by the amendment proposed in clause 2 (*a*) as for obtaining relief under the Act it is not necessary for the woman that she be a Muslim. All that is required by the section is that she should be a wife according to Muslim law.

As to the second proviso I have to say that it was the result of a compromise arrived at between the various sections of the House and as such it is no wonder that it is not in accordance with the strict provisions of Muslim law. The Ulemahs insist on its deletion. As a party to the compromise I undoubtedly consider myself bound by it, but I think I have got a right of placing the same for a reconsideration in the light of the opinion of the Orthodox school and it is in this spirit that I propose this amendment.

Clause 4.—This is a clause which gave rise to the greatest opposition in the House when it was proposed in connection with the present Act and had to be dropped from it. Some persons thought that it was based on a mistrust of non-Muslim judicial officers, others thought that it was an indirect attempt to increase the number of Muslim judicial officers in the judiciary and the High Court. I assured the House then and maintain now that nothing can be further away from my thoughts than any of these suggestions. Some of the Muslim Members were opposed to this clause on the ground that it would make relief for the plaintiff difficult and more expensive. But in spite of all this the clause was proposed then and is being proposed now in accordance with the mandate of the overwhelming majority of Ulemahs of all schools

who consider that any decision given by a non-Muslim Judge in such matters is invalid and illegal. After the Act was passed, telegrams were sent by Jammeut-ul-Ulemah to His Excellency the Viceroy and other Members of the Government against the deletion of this clause. At the time when I agreed to the deletion of the clause I had submitted before the House that I intend to bring another Bill before the House by which the administration of such personal matters as do not affect third parties, may be handed over to the Kazis and I have actually given notice of a Bill based on that principle, but as the matter is very urgent and the demand is very insistent I think I can propose it for reconsideration at least till the time the Kazi Bill is passed into Act and comes into operation in a proper and approved form.

Personal Assistant, for *Commissioner.*

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 17th May 1941.

Monthly Weather and Crop Report of Bengal for April 1941.

I. *Character of the season.*—During the month under review, the rainfall was above the normal in 16 districts while in others it was below the average. The usual rainfall statement is appended.

II. *Progress of agricultural operations.*—Dry weather interfered with the cultivation of jute and other autumn crops but good showers at the latter part of the month, facilitated the operation and benefited the standing crops generally.

III. *State of standing crops.*—The condition of the standing crops was generally fair but some damage was done by drought in places.

IV. *Prospects and probable outturn.*—The prospects of standing crops were affected by dry weather in places. The outturn of spring oilseed crops was estimated at 66 per cent. of the normal as against 73 per cent. of the last year.

V. *Damage to standing crops.*—Insufficient rainfall caused some damage to standing crops. A severe hailstorm on the 5th April caused damage to jute and other standing crops in Munshiganj subdivision of the Dacca district.

VI. *Condition of agricultural stock.*—The condition of livestock was, on the whole, fair. Sporadic cases of cattle-disease were, however, reported from 16 districts of the Presidency as also from the Cooch Behar and Tripura States.

VII. *Failure of pasturage and fodder.*—Insufficiency of fodder was reported from parts of the 24-Parganas, Birbhum, Rajshahi, Murshidabad, Hooghly, Rangpur, Faridpur and Burdwan districts.

VIII. *Prices of food grains.*—During the second fortnight of the month, the retail prices of common rice of the cheapest quality rose in 14 districts, fell in 4 and remained stationary in the rest of the Presidency. The prices ranged from 6¾ seers per rupee at 24-Parganas to 9 seers per rupee at Chittagong and Chittagong Hill Tracts.

IX. *Condition of agricultural population.*—The condition of agricultural population was, on the whole, fair, except in the distressed areas of Murshidabad, Birbhum and Malda districts where relief measures were in operation.

A. AHMAD, *Personal Assistant*,
for *Director of Agriculture, Bengal.*

A. AHMAD, for *Director of Agriculture, Bengal.*

Dacca, the 17th May 1941.

DEPARTMENT OF AGRICULTURE, BENGAL.

Ramna, Dacca, the 16th May 1941.

Third and Final Forecast of the Spring Oilseed Crops of Bengal, 1940-41.

(*Note*.—On an average of the five years ending 1938-39, the area under linseed in Bengal has represented some 3·3 per cent. and that of rape and mustard 12·9 per cent. of the total area under these crops in India.)

Character of the season.—As indicated in the second forecast issued in February last, drought adversely affected the growth of the crops and consequently further reduced the outturn for the Province.

Area sown.—Oilseeds are chiefly grown in the Dacca, Rajshahi and Presidency Divisions. In the other two divisions the cultivation is not extensive. The total area under the crops (excepting sesamum, for which separate forecasts are issued) is returned at 952,300 acres as against 965,200 acres last year.

Outturn.—From the District Officers' estimates, the provincial outturn of the different oilseed crops works out at 66 per cent. of the normal as against 73 per cent. last year.

Taking 6¾ths maunds as the normal yield per acre for linseed, 7 maunds for rape and mustard and 4¼ maunds for other oilseeds, the total yields of the crops for the Province is estimated at 157,000 tons this year as against 176,900 tons last year.

M. CARBERY,

Director of Agriculture, Bengal.

Rules for recruitment of typists in the Secretariat and in certain other Government offices.

1. An examination will be held in the month of March every year for the purpose of selecting candidates for appointment as typists. The examination will be conducted by the Public Service Commission, Bengal.

2. The qualifications of a candidate for admission to the examination shall be as follows:—

(*i*) He must have passed at least the Matriculation examination of an Indian University, the High Madrassa examination or the High

School examination of the Board of Intermediate and Secondary Education, Dacca, or the School Final (Science Side) or the Government Commercial Course Final examination, or have obtained the Indian Army Special Certificate of Education, or if he is a European or Anglo-Indian not so qualified he must have obtained at least the Elementary School Certificate and taken the Supplementary Commercial Course prescribed by the European Schools Code; and

(*ii*) His age must be less than 25 years on the 1st February of the year in which the examination is held, provided that if he is on the said date already a temporary typist in an office to which these rules apply, he shall be eligible if his age on that date does not exceed 25 years by more than the length of his *continuous* temporary service.

Evidence that the candidate possesses the above qualifications must accompany the application. As evidence of age, the candidate must produce his Matriculation or an equivalent certificate. All certificates must be sent in original.

N.B.—The candidate must also pay into the treasury a sum of Rs. 5 by way of examination fee, and must forward the treasury receipt showing such payment with his application. Under no circumstances will this fee be refunded.

3. The candidate will be required to satisfy the examiners that he is able to transcribe accurately from legible handwriting at the rate of not less than 30 words a minute. 4. Subject to the provisions of the Bengal Services Recruitment (Communal Ratio) Rules, 1940, permanent posts of typists shall be filled by the appointment in order of merit of candidates who have qualified at the recruitment examination.

5. On the 1st of November each year the Heads of Offices to which these rules apply will send to the Public Service Commission a memorandum showing the number of permanent vacancies which are expected in the posts of typist in their offices during the period between the 1st of January to the 31st December of the following year. This memorandum should show how the vacancies are to be reserved for different communities in accordance with the provisions of the Bengal Services Recruitment (Communal Ratio) Rules, 1940.

6. As soon as the results of the examination are available the Public Service Commission will allot candidates to offices for appointment to the various vacancies on the basis of their requirements as reported in the memoranda referred to in rule 5 or as subsequently modified.

No candidate will be offered an appointment unless he produces an unconditional medical certificate of fitness for service under Government from the Presidency Surgeon, who is entrusted with the duty of examining candidates. The Public Service Commission, Bengal, may at their discretion allow a candidate time, which will in no case exceed three months, to have a temporary defect removed. "21A. (*1*) As soon as may be after the authentication of the record under sub-section (*1*) of section 5 of the Act the Chief Controller of Jute Regulation or any servant of the Crown authorised by him in this behalf shall cause a notice in Form No. 3(b) to be published in each mauza in the manner laid down in rule 13, and thereupon any grower of jute or his successor-in-interest in the area, who claims that any entry in the final record is incorrect or that any entry of land or the nature thereof has been improperly omitted from the final

record, may within one year from the date of authentication apply to the Collector or to a servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf to have the same duly rectified and thereupon the Collector or the servant of the Crown so appointed shall make such inquiry as he may deem fit and if satisfied shall take steps to revise the record accordingly.

(*2*) The applications referred to in sub-rule (*1*) of this rule shall be filed in Form No. 7(a) which shall be available free of charge from the Office of the Assistant Inspector in charge of the Jute Regulation Circle and shall be accompanied by the relevant extract of the finally published record-of-rights or a certified copy thereof:

(*3*) A fee of annas 8 in Court-fee stamps shall be paid in respect of each such application and no application unless duly stamped shall be entertained.

21B. (*1*) The application if admissible shall be entered in the Register of Applications (mauza by mauza in Form No. 30) and the person presenting the application shall be given a receipt in the form appended to Form No. 7(*a*).

(*2*) After the applications have been duly entered in the Register the Collector or the servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf, shall, as soon as may be, cause a notice in Form No. 9(a) to be served on the applicant specifying therein at least seven days in advance the date, the hour and the place where an inquiry shall be held.

(*3*) Upon a notice in Form No. 9(a) being duly served on the applicant, it shall be the duty of the applicant to attend at the time and place fixed either personally or by an authorised agent and produce all the documents that may be necessary for the purpose of the inquiry and thereafter to appear every day or the days fixed for the purpose until the application has been finally disposed of.

(*4*) The notice in Form No. 9(*a*) shall be issued in duplicate. One copy shall be left with the applicant or his authorised agent or in their absence shall be hung in a conspicuous place where he ordinarily resides, and on the other copy the signature or thumb impression of the applicant or his authorised agent along with the signature or thumb impression of the person or persons in whose presence the notice is served shall be taken as token of service and this second copy shall be kept with the record.

21C. (*1*) On the date and at the time and place fixed the Collector or the servant of the Crown appointed by the Provincial Government to exercise the functions of the Collector in this behalf or any person deputed by either of them to hold an inquiry shall examine the application, hear the parties and after taking such evidence as may be available and after making such local inquiry as may be necessary, shall record on the reverse of the application a précis of the evidence and the result of the local inquiry, if any.

Provided that the Collector may, if necessary, revise any order passed by a servant of the Crown acting as such irrespective of whether the order be on an application received by the latter direct or one sent to him by the Collector for final disposal.

(*3*) If as a result of inquiry it is found that an incorrect entry has been made or an omission has taken place in the final record, the Collector or the servant of the Crown acting as such shall direct the recording officer of the area concerned or shall himself take steps to correct the entry or make good the omission and thereupon the recording officer, if so directed, shall do the needful and may also be required to report of his having done so.

21D. (*1*) In cases of applications filed for recording any land under sub-section (*2*) of section 3 of the Act careful inquiry shall be made into the nature and location of the land and its capability to grow any crop other than jute. No such application shall be granted until the applicant has conclusively proved that the land in question cannot grow any other crop and did not during the last few years actually grow any other crop except jute though the latter alone shall not be taken as sufficient to support the claim.

(*2*) In cases of applications to record land under sub-section (*3*) of section 3 of the Act the applicant shall produce local evidence in support of the claim, including that of the growers of contiguous lands.

21E. A certificate of service of notice in Form Nos. 3(*b*) and 9(*a*) signed by an officer of the department not below the rank of an Assistant Inspector and filed with the mauza records, shall be conclusive evidence of the publication of such notice in respect of the person or persons specified in the said notice."

NOTIFICATIONS.

No. 25T.R.I.—20th May 1941.—In exercise of the powers conferred by section 55 of the Bengal Agricultural Debtors Act, 1935 (Bengal Act VII of 1936), the Governor is pleased to make the following amendments in the Bengal Agricultural Debtors Rules, 1936, published with notification No. 9187L.R., dated the 26th June 1936, as subsequently amended, namely:—

(1) To sub-rule (*1*) of rule 132 of the said rules the following proviso shall be added, namely:—

"Provided that before transferring records to the record room the Chairman of the Board shall certify that either the fees referred to in rule 139 have been realised or that a certificate proceeding referred to in that rule has actually been started."

(2) In rule 139 of the said rules—

For sub-rules (*2*) and (*3*) the following sub-rules shall be substituted, namely:—

"(*2*) If the debtor or any creditor does not pay by the date fixed by the Board the fees referred to in sub-rule (*1*), the Board may formally pass the order of determination under sub-section (*2*) of section 18 and thereafter proceed to dispose of the application, and shall take action under sub-rule (*4*) for the recovery of the said fees. But no award shall be signed until the Board has been satisfied and endorses on the order-sheet that the fees referred to in sub-rule (*1*) have been paid to the Board or that the list of defaulters referred to in sub-rule (*3*) has been issued to the Subdivisional Officer.

(*3*) By the 7th of each month the Board shall forward to the Subdivisional Officer a list in duplicate of debtors and creditors who have failed to pay the fees referred to in sub-rule (*1*) in the preceding month by the date fixed in that behalf by the Board under that sub-rule.

(*4*) On receipt of the list referred to in sub-rule (*3*) the Subdivisional Officer shall take necessary action to recover such fees as a public demand as provided in section 57 and return after due authentication the duplicate copy of the said list to the Board after the certificate for the recovery of such fees has been filed:

Provided that the Certificate Officer, if satisfied that there is good reason for allowing time for payment of the amount of the certificate filed for the recovery of any such fees, may allow time for such payment:

Provided further that where any such fees are due from the debtor and time is allowed to him under the first proviso for payment of such dues, the Certificate Officer in allowing such time shall take into consideration the factor that it is not ordinarily possible for a debtor to pay his dues unless he gets a harvest.

(*5*) The amount of demand on account of the fees referred to in sub-rule (*1*) shall be realised in court-fee stamps. Such stamps shall be punched in presence of the Certificate Officer and filed in the records of the certificate proceeding and a necessary note shall forthwith be made in Register 10. The Certificate Officer shall next requisition the record of the Debt Settlement Board case from the record room, if already consigned there, or from the Debt Settlement Board and make an entry about the recovery in the order-sheet of the case and return the record to the record room or the Board as the case may be.

The Certificate Officer shall communicate to the Debt Settlement Board concerned, through the Subdivisional Officer, about the recovery of the fees referred to in sub-rule (*1*). The Board on receipt of the information shall note such recovery in the remarks column of the case register as well as in the court-fee register and quote the number of the certificate case concerned. The realisation shall be entered in the quarterly returns of the quarter in which the fees are accounted for in the Board's office."
